
13TH JUDICIAL CIRCUIT

VETERANS TREATMENT COURT

VETERANS TREATMENT COURT PROGRAM

Introduction

Welcome to the 13th Judicial Circuit Veterans Treatment Court (VTC). This handbook is designed to answer questions, address concerns, and provide overall information about the VTC. As a participant, you will be expected to follow the instructions given to you by the VTC judge, court administrator, and probation officer, as well as to comply with the treatment plan developed for you by an approved treatment provider. This handbook will detail what is expected of you as a VTC participant and review general program information. All participants are encouraged to share this handbook with family and friends.

Program Overview

The 13th Judicial Circuit VTC is a court-supervised, comprehensive treatment program which includes first-time non-violent offenders, probationers, and offenders who are returning to the community from the Department of Corrections. All participants must have been determined to require substance abuse treatment and/or have a diagnosed mental health condition. The VTC may be a voluntary program or ordered as a condition of probation. Participation includes regular court appearances before the VTC judge and treatment, which includes drug testing, individual counseling and group counseling provided by the Harry S. Truman Veterans' Hospital. The participant is also expected to meet with a mentor, obtain and maintain employment or involvement in vocational or educational programs, and is required to attend 12-step meetings (Narcotics Anonymous or Alcoholics Anonymous). The length of VTC is determined by each participant's progress and will be a minimum of one year and no longer than two years.

Confidentiality

Confidentiality is essential to maintain the integrity of group therapy sessions. Nothing that is discussed within the confines of those meetings will be repeated. No information pertaining to another client should be discussed outside of group. This confidentiality applies to things said in the courtroom as well. Rule violations should be reported immediately.

You will be required to sign a release of information which allows your treatment provider(s) to give information to the VTC team, which includes the judge, prosecuting attorney, public defender, probation officer, treatment providers, and all other departments listed. (See the Consent to Release Information Form.) Your privacy is respected and the team will make every effort to protect your identity.

Veterans Treatment Court Supervision

You will be required to appear in court on a regular basis. At each court appearance, the VTC judge will be given a progress report prepared by the treatment team regarding drug test results, attendance and participation in treatment, and compliance with the probation officer. The judge

may ask you questions about your progress, and discuss any specific problems you may have been experiencing. In the event of program violations, e.g., missed or positive urine screens, failure to attend counseling, failure to meet with mentor, failure to attend 12-step meetings, etc., sanctions may be imposed by the court. Repeated violation of the program expectations and failure to progress satisfactorily may result in termination from the program.

Failure to appear in court on the date and time scheduled may result in a warrant being issued for your arrest. If you cannot appear in court as scheduled, the probation officer and VTC coordinator must be notified as soon as possible.

ELIGIBILITY CRITERIA

To be eligible to participate in the VTC program, you must have the capacity to manage the structure of the court:

- ✧ Applicant is a resident of either Boone or Callaway County.
- ✧ Applicant is a person who has served in any branch of the United States Military or the Missouri National Guard/Reserves and is eligible to receive services from the Veterans Health Administration.
- ✧ Applicant is able to meet VTC requirements.
- ✧ Applicant has no offenses that would compromise the safety of the other participants and staff.

You may be excluded from applying for the VTC program if:

- ✧ Applicant does have a conviction or a plea of guilty to any offense defined in Chapters 566 or 567 RSMo.
- ✧ Applicant has been found guilty for any degree of murder, voluntary or involuntary manslaughter, or armed criminal action.
- ✧ Applicant has been found guilty of a misdemeanor or felony sexual offense.
- ✧ Applicant has another pending criminal case in which he/she would be deemed ineligible.
- ✧ Applicant is on parole supervision for another case.

Accessing the VTC program

Referrals to the VTC program are given to the VTC administrator. Referrals can be made for veteran offenders who are residents of Boone or Callaway counties, are eligible to receive services from the Veterans Health Administration, and have been determined to require substance abuse treatment and/or have a diagnosed mental health condition.

Following a legal intake and clinical screening, your application for acceptance into the VTC program will be submitted to a staffing team for acceptance or denial. If accepted into the program, your attorney may continue to represent you, in a non-adversarial manner, during your participation in the program.

Guilty Plea and Sentencing

The VTC does not become involved in your plea agreement. All plea agreements will be made prior to your entry into the program by your attorney and the prosecuting attorney's office. All pending criminal cases have to be resolved prior to admission into the VTC program.

PROGRAM RULES

All VTC participants must abide by the following rules of the program. Each individual will held accountable for his or her actions and full compliance is necessary to succeed in the program.

✧ **I must not use or possess any drugs or alcohol.**

This condition is fundamental to successful completion of the program.

Any prescription medication must be reported to the Veteran Treatment Court team for review. Abuse of prescription drugs will result in a sanction.

(This also includes ANY synthetic substance: Any substance which is mood/mind altering is prohibited in the program. Such products as K2, Spice or Bath Salts are prohibited and tested for. If you are unsure about the product, contact your VTC administrator or probation officer. (Also see Alternative Sentencing Court Urine Testing Contract.)

✧ **I must maintain my residence in Boone or Callaway County throughout the duration of the program.**

✧ **I must follow my treatment plan as directed by program personnel.**

I understand that my treatment groups, counseling sessions, probation meetings, court appearances, etc, are not optional. I also understand if I am not attending treatment, I will no longer be eligible for the program.

✧ **I must not violate the law, and understand that if I engage in any criminal act, I will be prosecuted for the charges pending against me.**

New criminal charges will be considered for serious sanctions up to and including termination. I understand that a new misdemeanor or a new felony may result in termination from the program. I understand that operating a motor vehicle without a valid driver's license or while the driver's license is suspended or revoked is a violation of the law and may result in sanctions or termination, even if criminal charges are not filed against me.

✧ **I must get prior permission from the VTC team before moving, changing my telephone number, or disconnecting my telephone.**

✧ **I must get prior permission from the VTC team before changing my employment.**

I am prohibited from working in bars or in any employment deemed not appropriate by the VTC team. I understand that all employment must be approved prior to entering the program or before accepting employment once in the program. I also understand that I must gain prior permission from the VTC team before quitting a job.

I am REQUIRED to bring my calendar to all appointments related to VTC, including classes, appointments with any team member, probation appointments, etc. My calendar should be filled out as far in advance as possible.
- ✧ **As a participant in the VTC, I understand that I have the responsibility to report to a tracker as directed.**
If a tracker is unable to reach me, it is my responsibility to contact the tracker within a half-hour. If I fail to do so, this will be considered a missed contact and a sanction will be imposed. I further understand that tracking may occur 24 hours a day/7days a week, and I may be given a curfew if the court deems it appropriate.

It is my responsibility to apply for the permit in a timely manner.
- ⊛ **I must turn in all documents one (1) day prior to court appearances.**
 In order to receive credit for 12-step meetings, payment of fees, or community service hours, I must turn the proper documentation in to my probation officer, no later than the day prior to my court appearance. In order to receive credit for attending treatment, I must submit the proper documentation to my caseworker as directed.

 I will be tested throughout the entire program for substance abuse and/or medication compliance. The VTC judge or any team member may require a test at any time and will have access to all drug testing results including any “stalls” or failures to produce. Failing to report for a drug test, appearing late to submit to a urine test, and/or altering a specimen will be treated as violations. One of the goals of VTC is to help me achieve total abstinence from alcohol, inappropriately used prescription and/or over-the-counter medication, and illicit drugs.

staff with copies of all medical bills, whether related to the ER/ED and/or other health care providers.

- ☛ **I am required to provide proof of contact with health care professionals, as well as proof that I have disclosed my substance use disorder to my health care professionals.**

All medications prescribed **MUST BE APPROVED BY THE VETERANS TREATMENT COURT BEFORE THEY ARE TAKEN.** (See Physician Release forms provided in this manual.)

TREATMENT PROCEDURES

Drug Testing:

Each participant will be given a drug testing hotline card, and must call the hotline daily, following recorded instructions and using the personal call-in code. When the participant is required to be drug tested, he or she will be given from 6:00 a.m. until 10:00 a.m. to submit to testing. Employee Screening Services (ESS), located in the ground floor of the Alternative Sentencing Center at 607 East Ash Street, will conduct all urine testing. The VTC judge will impose sanctions for failing to submit to a test within the time allowed, providing a dilute specimen, or failing to submit to a drug test. A participant will be tested through the entire treatment process. Additional testing may be required at the discretion of the probation office, treatment provider, and the court.

Drug Testing Hotline: (800) 494-1250

Counseling:

An important aspect of VTC is participation in counseling. This may include both individual and group sessions. Participation in one or both of these will be at the recommendation of the treatment provider. Your attendance at counseling sessions will be reported to the judge as part of your progress report. **Prior permission from the treatment counselor must be obtained in order to be excused from a counseling session.**

Mentor:

You will have a mentor. A pool of mentors will be maintained by the VTC mentor coordinator. You will be required to meet with you mentor, as directed in the phase descriptions listed in this manual.

Twelve-Step Meetings:

Attendance is required at 12-step meetings such as Narcotics Anonymous, Alcoholics Anonymous, an alternative 12-step meeting, and Celebrate Recovery. Attendance is an important part of the recovery process that will help familiarize you with the 12-step philosophy, and to develop levels of trust in order to be able to learn and to create social bonds with other people in recovery. The treatment team will provide information regarding the time and location of 12-step meetings and/or online classes. You must provide proof of attending a minimum of one meeting each week to your probation officer prior to each court appearance.

Sponsor:

You are encouraged to obtain a self-help sponsor. A sponsor is a 12-step group member of the same gender with significant sobriety (at least one year) who will assist you on a personal level

with sobriety, personal problems, working the steps, etc. Ask at a meeting for a temporary sponsor until a permanent sponsor can be obtained.

Personal Journal:

Upon acceptance into VTC program, you will be expected to keep a journal. The VTC judge will provide you with a weekly topic for your journal entry. The purpose of the journal is to provide the judge with your perception of the Veterans Treatment Court-related topics, including personal problems with alcohol and drug dependence, and short-term and long-term goals. The court will provide a journal to you at your first court appearance. **The journal must be brought to every court appearance.**

Termination:

You may be terminated from the program for the following reasons (this is not an all-inclusive list): lack of treatment progress as decided by the treatment team, failure to secure full time employment, failure to pay fines, court costs, or restitution, making threats, making assaults, having new arrests, continuing to use substances, or having medical problems that interfere with treatment.

Ninety-Day Evaluations:

The VTC team will evaluate you on the first court date after you have been in the program for 90 days. During this evaluation, the VTC team will decide whether or not you have made the necessary progress to be engaged in the program. The evaluation will measure your treatment progress and understanding, work and/or education progress, as well as acceptance of the VTC philosophy.

FREQUENTLY ASKED QUESTIONS

What if I have a serious medical condition?

In general, if you have a serious medical condition, you will not be excluded from VTC. You must be willing to fully disclose your condition and medical care to the treatment providers and the VTC team. Although the team can be flexible and work around your condition, you must be able to engage in and complete treatment.

Can I use prescription medication?

You are expected to be drug free, including not using prescribed medication before obtaining authorization. If your doctor prescribes medication, you must bring in the prescription to your probation officer, to gain permission from the VTC team **PRIOR** to filling the script. You will then sign a release so that your probation officer can verify the prescription.

While in VTC, you must use ONE doctor or ONE dentist and ONE pharmacy. We also require that you notify the medical professional of your addiction and that you request non-narcotic pain medications when a prescription is being recommended.

What happens once I am in the program?

You will be required to participate fully in the program in order to graduate from VTC. This will include submitting to random drug testing, being present at court, making payments, verifying attendance of self-help meetings, and verifying attendance of individual and group therapy. You must comply with VTC treatment, as well as maintain ongoing contact with your probation officer and community support worker.

What if I want to travel outside of the county in which I reside?

If you need to travel outside of the county in which you live, you must first gain permission from the VTC judge to leave. As a condition of travel, the judge will require you to submit to a drug test prior to leaving and immediately upon return. Another condition may be that you not miss a treatment group. If a treatment group would be missed, further permission from your treatment provider would be required.

How do drug tests work?

You will be required to provide ongoing random urine samples to monitor your progress. An employee of the same gender at the testing facility will supervise you when you give a specimen. Urinalysis reports are documented and available to the court. Any positive urine screens, tampered samples, or refusal to provide a sample will be grounds for sanctions from the judge.

The best rule to follow regarding dilute or late drug tests, and what you can and cannot ingest is simple. Take no medications or herbal supplements, prescribed or over-the-counter, without first obtaining permission from your probation or parole officer, or treatment court administrator.

What are grounds for termination from VTC?

This is a voluntary program. You can voluntarily withdraw from the program at any time; however, your original sentence may be imposed.

The judge and VTC team can also involuntarily terminate you from the program for non-compliance, new criminal charges, bench warrants, or drug testing problems. Although a relapse is not absolute grounds for termination, a continual inability to meet your treatment goals will result in expulsion. There are several grounds for possible termination. These include but are not limited to:

- ✧ Possession of alcohol, drugs, or paraphernalia at your residence, in your car, or on your person.
- ✧ Attending a treatment group under the influence.
- ✧ Having a weapon in your residence, car, or on your person.
- ✧ Having new charges, in particular felony, violent or sexual crimes.
- ✧ Corrupting or negatively influencing another VTC participant.
- ✧ Tampering with a UA sample, using the urine of someone else for your own, or allowing someone else to use your urine for their sample.

What happens if I'm terminated from VTC?

If you are terminated from VTC, you will appear before your original sentencing judge for disposition of your charges.

DRESS CODE

There is a dress code for participants attending court and class sessions; meeting with any team members at any location including but not limited to the courthouse, probation, the participant's home; or appearing in court before the VTC judge, related activities, and at all drug testing facilities. The dress code is as follows:

- ✧ No article of clothing bearing any alcohol or drug advertisement or message.
- ✧ No sexually explicit clothing.
- ✧ Shirts and shoes must be worn at all times.
- ✧ No do rags may be worn.
- ✧ No sleeveless shirts/tank tops or backless shirts will be allowed.
- ✧ Shorts and skirts must be the length that they would reach the tips of your fingers while your hands are straight down at your side.
- ✧ Pants must fit properly.
- ✧ Tops of pants must meet bottoms of shirts (no bare skin).

If the VTC judge informs you that you are dressed inappropriately you will be asked to leave immediately and may not receive credit for attending.

COURTROOM BEHAVIOR

You are expected to maintain appropriate behavior at all times in the courtroom and courthouse. This includes:

- ✧ No talking in the courtroom.
- ✧ No sleeping in the courtroom.
- ✧ No eating or drinking in the courtroom.
- ✧ No smoking in the courthouse and if you do smoke, it is only allowed in a designated area on courthouse grounds.
- ✧ No gum chewing.
- ✧ Be on time and do not leave during the hearing except to use the restroom (emergencies only). You are expected to have used the restroom prior to the court session starting.
- ✧ beepers and cell phones must be turned off or they will be confiscated.
- ✧ The court session is NOT the appropriate time to speak with any of the team members unless you have made arrangements to do so prior to the court session. You must call or set up an appointment.
- ✧ Appropriate dress is necessary; shoes and shirts are required and no hats, shorts, sunglasses, or tank-tops should be worn. You are expected to maintain appropriate grooming. If you are attending court straight from work and you expect your work clothes to be soiled, take a fresh change of clothes with you and change into them before court.
